 7. Select “Create an Account”

First Name: *

Last Name: *

Username: *

Email (required to confirm account): *

Password: *

Verify Password: *

Fields marked with asterisk(*) are required

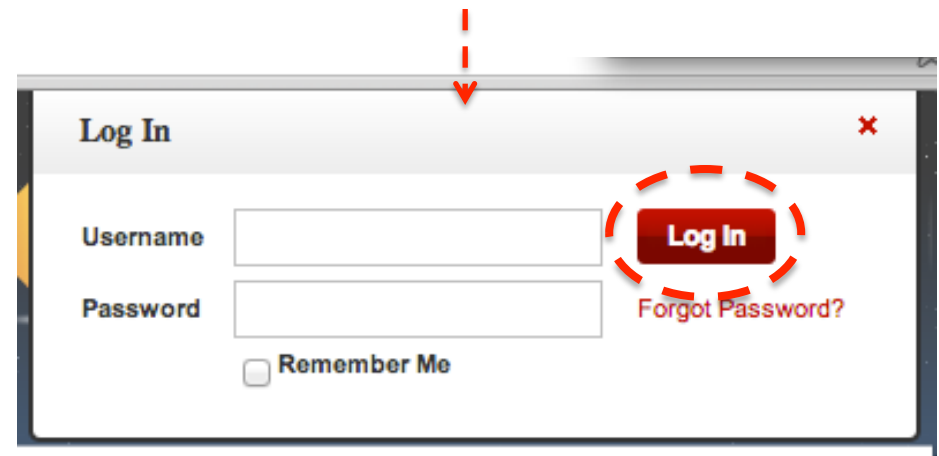

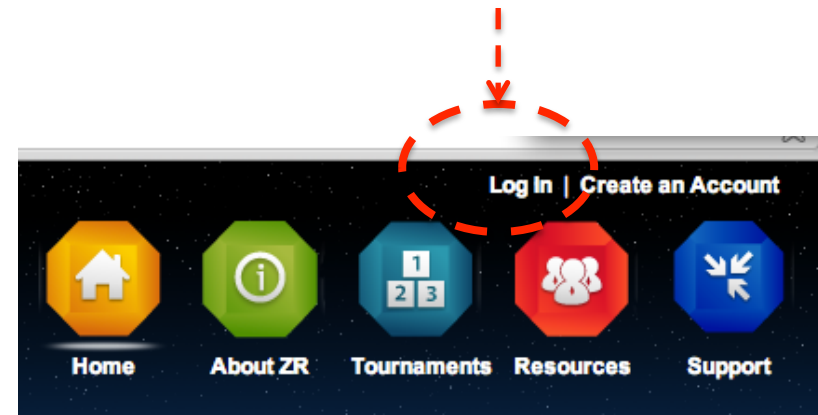

☒ I have read and agree with the [Terms & Conditions](#) of Zero Robotics.

Create an Account

Log In with Your New Account

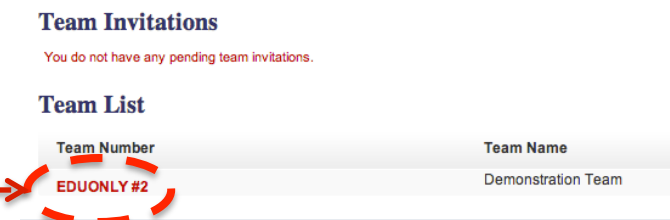

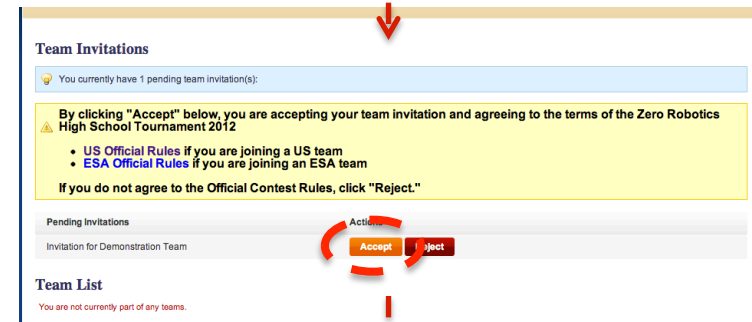

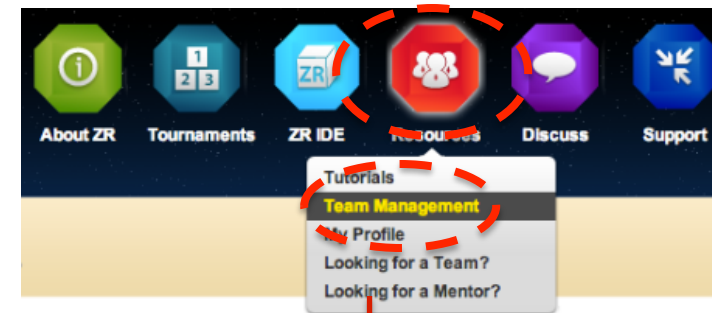

- Once you submit the form, you should see a successful message and receive an email to the email account that you entered in the form.
- To log into your account, select “Log In” from the upper-right corner and enter:
 - Your username
 - Your password
 - Click on “Log In” button

Your mentor will invite you to join a team

- Check your email for a Zero Robotics team invitation letter sent by your mentor
- On the ZR website go to: Resources → Team Management
 - Click “Accept” next to the team invitation
 - Under the Team List:
 - Click on the team number (“**EDUONLY #2**” in example) to access information about your team

- Welcome to the Zero Robotics website!
- Now explore!
